**BAKE STABLE CHOCOLATE CHUNKS**  
For a delicious bite and an irresistible chocolate taste. These white, milk and dark chocolate chunks are perfect for bakery applications. Available in both regular and irregular shapes, they are the ideal inclusions for bread, muffins, viennoiserie and American cookies.

**BLOSSOMS**  
For a festive and elegant chocolate touch Blossoms are small, curled pieces of chocolate that add a festive and sophisticated look to any food creation. Because of their elegant look, these tiny curls are highly suited for decorating.

**DECORATIONS**  
Everything you need to turn your creations into tasty eyecatchers. Crispy bites are small toasted biscuit kernels covered in a delicious layer of chocolate. Use them as decoration on your confectionery, ice cream, bakery, dairy and cereal products to give them a delicious crisp and an overwhelming taste sensation

**BAKE-STABLE STICKS**  
The classic intense chocolate boost for all your bakery applications. Bake-stable sticks are 100% chocolate and perfect for enriching your bakery products with a delicious milk or dark chocolate taste. They resist oven temperatures up to 200 °C and form the classic 'pain au chocolat' center.

**SHAVINGS**  
A classic all-rounder for a generous chocolate touch. Shavings are finely shaved pieces of chocolate with either a fine or a more robust texture. They are a rich decoration that add chocolate indulgence and enhance the appeal of all your bakery, ice cream, dairy or confectionery creations.

**SPLITTERS**  
Splitters are glossy, flat and square-shaped chocolate bits that taste fantastic as a decoration or a tiny inclusion in all your food products. They are made with high-quality chocolate to give your recipe a premium chocolate taste and mouthfeel. Decorating your creations with splitters will give them an authentic artisanal look.
